Instructional Motion Number: _____ Date: 4/19/24

Instruction to: Town Leadership, Town Moderator, and Town Meeting
Board, Committee or Department

I, Linda Snow Dockser of Precinct 1 do hereby move that;
Town Leadership including Town Meeting Leadership consider adding a Land Acknowledgment crediting the Indigenous Tribes who originally owned and inhabited our land. This could either be in written or verbal form and added to Town Meeting, the Town Website, and other official town meetings as seen appropriate. Reading Public Library already has such a Land Acknowledgment which could be used as an example.

Thank you,
