READING TOWN MEETING INSTRUCTIONAL MOTION FORM

Please print legibly and print exactly as you would like to present the Instructional Motion. This will become part of the permanent record of this Town Meeting and must be submitted to the Town Clerk and Moderator before Town Meeting.

Instructional Motion Number: _____ Date: 11/26/2024

Instruction to: Bylaw Committee
Board, Committee or Department

I, Nancy Docktor of Precinct 1 do hereby move that;
as per section 2.12.2 of the Reading Town Charter that the Bylaw Committee study, review, and submit their findings to Reading Town Meeting regarding changing Board of Health positions from appointments made by VASC, a subcommittee of the Reading Select Board, to elected positions. This would be similiar to elections for Select Board, RMLD, School Committee, Library Board, and Moderator.

Electing, rather than appointing, Board of Health members would ensure both accountability to the population they serve and independence from interference by other elected officials.
